Dialogue, Commas, and Quotation Marks

**A. Directions:** Read each sentence and add any necessary quotation marks and commas to divide what is said from who is speaking.

1. Lucas said, “I saw a great program about tigers on TV last night.”

2. “I think,” said Paul, “that I saw the same program.”

3. “We were at the library,” said Elena, “so I missed the program.”

4. Lucas said, “Maybe it will be on again next week.”

5. “Gosh,” Elena replied, “I hope so.”

**B. Directions:** Write a sentence of your own that uses dialogue. Don’t forget to use quotation marks and commas.

Example: “Wait,” Nora said, “I’m coming too.”
