Adverbial Phrases (Place)

A. Directions: Read each sentence and circle the preposition at the beginning of each adverbial phrase. Then underline the adverbial phrases. Some sentences have more than one prepositional phrase.

1. I visited some relatives at their house.
2. He took me to a famous spa.
3. My family is from Montenegro.
4. It is on the Adriatic Sea across from Italy.
5. My dad and I spent a lot of time together on the boat.

B. Directions: Choose two prepositions included in the sentences above. For each preposition, write a sentence using the preposition in an adverbial phrase that tells where.

1. Example: The book is on the shelf.

2. Example: Ben sat across the room.
