Adjectives

A. Directions: Read each sentence and underline each adjective. Some sentences have more than one adjective.

1. Cut out the biggest circle.

2. Use a purple marker to color the small flower.

3. Spread the soft butter on the toasted bread.

4. Make three holes at the top of the page.

5. Stir the lumpy mixture for five minutes to get a smooth paste.

6. Put enough water in a large bowl to cover the bottom.

B. Directions: Write two sentences that use adjectives to make clear directions for how to do something.

1. _______________________________________________________________________
   _______________________________________________________________________

2. _______________________________________________________________________
