Words in Quotation Marks

Directions: Read each sentence. Rewrite it using quotation marks around words that are used in a special or unusual way.

1. Your Thinking Brain is the largest of the three brains.

2. These three brains talk to one another all the time.

3. Good food, exercise, and sleep are the arrows in our quivers that help us fight brain problems.

4. Signals travel from one neuron to another by leaping across the synapse with the help of chemicals in the brain.

5. Sugar isn’t so sweet—too much of it can harm your brain health.
